INDEPENDENT AUDITORS' REPORT

To the Members of Catfish Creek Conservation Authority:

Report on the Financial Statements

We have audited the accompanying financial statements of **Catfish Creek Conservation Authority**, which comprise the statement of financial position as at December 31, 2014, and the statements of operations and accumulated surplus, changes in net financial assets, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for public sector entities and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

P. 519-633-0700 · F. 519-633-7009 450 Sunset Drive, St. Thomas, ON N5R 5V1 P. 519-773-9265 · F. 519-773-9683 25 John Street South, Aylmer, ON N5H 2C1

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Basis for Qualified Opinion

In common with many charitable organizations, the organization derives revenue from charitable donations the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the organization and we were not able to determine whether any adjustments might be necessary to contributions, the annual surplus or deficit, financial assets and accumulated surplus.

Opinion

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the statement of financial position of **Catfish Creek Conservation Authority** as at December 31, 2014, and the statements of operations and accumulated surplus, changes in net financial assets, and cash flows for the year then ended in accordance with Canadian accounting standards for public sector entities.

PURPOSE OF THE ORGANIZATION

The Catfish Creek Conservation Authority (the "CCCA") is established under the Conservation Authorities Act of Ontario to further the conservation, restoration, development and management of natural resources, other than gas, oil, coal and minerals, for the watershed within its jurisdiction. CCCA's jurisdiction includes areas in the City of St. Thomas, the Municipality of Central Elgin, the Town of Aylmer, the Township of South-West Oxford and the Township of Malahide.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of CCCA are prepared by management in accordance with Canadian generally accepted accounting principles for organizations operating in the local government sector as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants. Significant aspects of the accounting policies adopted by CCCA are as follows:

Basis of Accounting

Revenue and expenditures are recorded on the accrual basis, whereby they are reflected in the accounts in the year in which they have been earned and incurred, respectively, whether or not such transactions have been settled by the receipt or payment of money.

Accounting Estimates

The preparation of these financial statements in conformity with Canadian accounting standards for public sector entities requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the current period. These estimates are reviewed periodically and adjustments are made to income as appropriate in the year they become known.

In particular, the CCCA uses estimates when accounting for certain items, including: Useful lives of tangible capital assets

Financial Instruments

Measurement of financial instruments

The CCCA initially measures its financial assets and liabilities at fair value, except for certain nonarm's length transactions.

Notes to the Financial Statements Year Ended December 31, 2014

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Financial Instruments (continued)

The CCCA subsequently measures all its financial assets and financial liabilities at amortized cost, except for cash, which is measured at fair value. Changes in fair value are recognized in the statement of remeasurement gains until they are realized, at which time they are recognized in surplus for the year.

Financial assets measured at amortized cost include term deposits and accounts receivable. Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

Financial assets measured at fair value include cash.

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in net income. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in net income.

Revenue Recognition

Municipal levy revenue is recognized in full once the Municipalities approve the levied amount.

Campground rental revenue is recognized when the campsite is used. For seasonal campground rentals the revenue is recognized over the camping season to which it relates.

Grant revenue is recognized during the period in which the corresponding expense is incurred.

Donation and sponsorship revenue is recognized when the money is received.

Deferred revenue

CCCA receives certain amounts, principally from other public sector bodies, which may only be used in the conduct of certain programs or completion of specific work. These amounts are carried as deferred and recognized as revenue in the year the related expenditures are incurred or services performed.

Amounts are also received from seasonal campers for the forthcoming camping season. All amounts received from campers as down payments on the forthcoming season are deferred and brought into income over the forthcoming season.

Notes to the Financial Statements Year Ended December 31, 2014

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Classification of Expenditures

Expenditures are reported in four main categories, which follow the classifications set up by the Ministry of Natural Resources for program grants. By following these guidelines, there will be consistency of reporting by the 38 Conservation Authorities in Ontario. These are further explained as follows:

General administration expenditures include those associated with head office functions other than technical staff and associated programs.

Water and related land management expenditures include program administration, capital works for water related projects along with associated programs such as floodplain regulations, conservation services, dam operation and maintenance.

Conservation and recreation land management expenditures include capital works for recreation related projects along with associated programs such as wildlife conservation services.

Other operational expenditures include conservation areas, special employment projects, vehicles and equipment operations.

Tangible capital assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value of the tangible capital asset, is amortized on a straight-line basis over its estimated useful life as follows:

Buildings	50 years
Dams	100 years
Bridges, boardwalks and other wood structures	30 years
Water services and wells	50 years
Equipment	30 years
Hydro services	50 years
Vehicles	8 years

One half of the annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

Contributions of tangible capital assets

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and also are recorded as revenue.

Notes to the Financial Statements Year Ended December 31, 2014

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Non-financial assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the annual surplus or deficit, provides the Change in Net Financial Assets for the year.

2. TERM DEPOSITS

	2014 	2013
Mutual funds Guaranteed Investment Certificate	4,877 <u>398,584</u>	4,837 <u>518,664</u>
	<u>403,461</u>	523,501

The mutual fund investment consists of a CIBC Canadian T-bill fund and can be redeemed at any time.

The guaranteed investment certificate bears interest at a rate of 1.25% (2013 - 1.25%) and matures on December 29, 2015.

3. RESERVES

CCCA has established a number of internal reserves in order to ensure that funds are available to support future activities. The following reserves have been established:

Operational Reserve

The purpose of the operational reserve is to use any accumulated funds for the payment of expenditures that are not covered by government funding.

Capital Acquisition Reserve

This fund has been established to support the acquisition of various tangible capital assets as they become due for replacement.

Notes to the Financial Statements Year Ended December 31, 2014

3. RESERVES (CONTINUED)

Special Programs Reserve

This fund has been established to support funds designated by donors for special conservation projects to be carried out in the watershed.

Land Acquisition and Development Reserve

This fund has been established to support the acquisition of environmentally significant properties that would further the objectives of the Catfish Creek Conservation Authority

The reserve fund transfers for the year are outlined in the Schedule of Internal Reserves on page 16 of the financial statements.

4. ACCUMULATED SURPLUS

5.

The accumulated surplus balance consists of general fund, balances in reserves and investment in tangible capital assets and is made up as follows:

	2014	2013
	<u> </u>	\$
General fund	<u> </u>	<u>(92,355</u>)
Reserves and reserve funds:		
Operational reserve	187,173	194,441
Capital acquisition reserve	63,500	80,533
Special programs reserve	178,997	211,226
Land acquisition and development reserve	<u>149,316</u>	245,441
	<u> </u>	731,641
Invested in tangible capital assets	<u>1,517,074</u>	1,264,634
	2,096,461	1,903,920
DEFERRED REVENUES		
	2014	2013
	<u> </u>	_\$
Camping revenues	48,303	47,562
Grant revenues	17,172	110,547
	65,475	158,109

Notes to the Financial Statements Year Ended December 31, 2014

6. MUNICIPAL LEVIES

The municipalities that participate as members of CCCA and their corresponding financial levies are as follows:

	2014	2013
	<u>\$</u>	\$
Township of Malahide	103,829	115,873
Municipality of Central Elgin	61,655	60,337
Town of Aylmer	61,353	60,102
City of St. Thomas	14,114	14,480
Township of South-West Oxford	<u> </u>	7,659
	249,222	<u>258,451</u>

The municipal levy for the Township of Malahide noted above includes a special levy of \$22,082 (2013 - \$40,395) related to the ice management program in Port Bruce.

7. FINANCIAL INSTRUMENTS

Risks and Concentrations

The CCCA is exposed to various risks through its financial instruments. The following analysis provides a measure of the CCCA's risk exposure and concentrations at the balance sheet date.

Liquidity Risk

Liquidity risk is the risk that the CCCA will encounter difficulty in meeting obligations associated with financial liabilities. The CCCA is exposed to this risk mainly in respect of its accounts payable and accrued liabilities and government remittances payable.

Credit Risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The CCCA's main credit risk relate to its accounts receivable.

It is management's opinion that the entity is not exposed to any significant market, interest rate, foreign currency or price risk.

No financial liabilities of the CCCA were in default during the period.

The CCCA was not subject to any covenants during the period.

Notes to the Financial Statements Year Ended December 31, 2014

8. BUDGETED AMOUNTS

The budget figures presented in these financial statements are based upon the 2014 budget approved by the CCCA board. Adjustments to budgeted values were required to provide comparative budget values based on the full accrual basis of accounting. The chart below reconciles the approved budget with the budget figures presented in these financial statements.

	Approved Budget 	Adjustments	PSAB Budget

(DEFICIT) FOR THE YEAR	<u> </u>	<u>(71,856</u>)	<u>(71,856</u>)

Notes to the Financial Statements Year Ended December 31, 2014

9. DONATED SERVICES

Community members have volunteered their time and work to CCCA. Since these services are not normally purchased and because of the difficulty of determining their fair value, donated services are not recognized in these statements.

10. ECONOMIC DEPENDENCE

CCCA receives a substantial portion of its revenue from government grants and municipal levies. In 2014 these grants and levies accounted for approximately 43.54% of revenues (2013 - 43.59%).

11. GROUP RRSP

CCCA has established a Group RRSP plan for all regular full-time employees. Under the terms of the plan, CCCA and the employee are required to make contributions equivalent to 5% of the employee's gross salary.

12. NON-CASH TRANSACTIONS

During the year, investments totaling \$398,584 (2013 - \$518,633) matured and were reinvested. These non-cash transactions have been excluded from the statement of cash flows.

13. SUPPLEMENTARY INFORMATION:
